

Come join us for a hands-on outdoor experience at our upcoming....

Cholla Bud Harvesting Workshops

Cholla cactus flower buds were a staple of Native Desert People, providing amazing nutrition, sustained energy, and blood sugar balancing. This great-tasting, wild desert food can teach us how to again live sustainably in the desert!

Saturday, March 26, 2016 8-10am

Fund-raiser event for NativeSeeds/SEARCH on Tucson's west side.
